INSTRUCTIONS: Prior to the first track event have PRE TECH Inspection performed. Consult your copy of the SWMS Rules if you have a question regarding any item on the Tech Sheet. As each item is inspected, check it off on the sheet. After all items have been checked, sign off on the appropriate line on the form. PLEASE NOTE: All of this is to be accomplished prior to tech Inspection. Your inspection will help you determine that your car is race ready. This is your responsibility. The SWMS Scrutineers are only confirming that fact. If you have any questions, write or call the Chief Scrutineer. Present this form, completed, to the Tech Inspector prior to each race.
